When selecting the **Key Luster Metallic** color for your application, please take time to carefully consider:

1. **APPEARANCE:** Light colors tend to show more "shadow" than dark colors.
2. **TRAFFIC & MAINTENANCE:** Wheel marks and dirt naturally show up more on pale colors than on dark ones.
3. **SPILLAGE:** What might be most commonly spilled on the floor? Consult your **KEY REPRESENTATIVE** to determine the degree of chemical resistance you may require prior to selection of the system.

KEY RESIN COMPANY provides this color guide for preliminary color selection only. Please refer to a physical sample prior to making a final choice. Please contact your **KEY REPRESENTATIVE** for assistance.
