KEY EPOCON QUARTZ
Technical Data Sheet

DESCRIPTION

KEY EPOCON QUARTZ is a decorative 3/16”-1/4” moisture tolerant resin floor system which incorporates KEY EPOCOAT technology, a unique water-based epoxy allowing for installation on new concrete (5 days old) or any concrete substrate emitting excessive moisture vapor without fear of moisture related blistering or delamination. KEY EPOCON QUARTZ is sealed with various topcoats to meet particular performance requirements. KEY EPOCON QUARTZ is ideal for any project with a requirement for USGBC LEED certification.

KEY ADVANTAGES

• Meets USGBC LEED criteria for low VOC
• Low odor—can be installed in occupied facilities
• Decorative appearance
• Unlimited moisture vapor tolerance
• Sanitary, low maintenance
• Does not support mold growth
• Easy to install
• Minimal downtime

TYPICAL USES

• Corridors
• Kitchens
• Restrooms
• Shower rooms
• Cafeterias
• Manufacturing areas
• Health care facilities
• General purpose use
• Numerous other uses—consult with Key Resin

KEY EPOCON QUARTZ
Technical Data Sheet

APPLICATION

SURFACE PREPARATION
Surface Preparation is the most critical portion of any successful resinous flooring system application. All substrates must be properly prepared and tested for moisture as outlined in Key Resin Technical Bulletin #1. If moisture testing confirms excessive levels of moisture, apply moisture mitigation system recommended by Key Resin. Work must be performed by experienced contractors. The Key Resin Technical Service Department is available to answer any questions.

INSTALLATION
KEY EPOCON QUARTZ material components are mixed on site. Refer to the detailed installation instructions document and Key Resin Technical Service.

CLEAN UP
Clean skin with soap and water. Tools and equipment should be cleaned with xylene or lacquer thinner. Consult Safety Data Sheet (SDS) for safety and health precautions.

MAINTENANCE
After completing the application of KEY EPOCON QUARTZ, the installer should provide the owner with maintenance instructions. KEY EPOCON QUARTZ is easily cleaned with neutral soaps or detergents. Routine mechanical scrubbing using the appropriate pad is recommended for all surfaces having a slip resistant texture. Refer to Key Resin Technical Bulletins #3 and #3-A for additional recommendations.

SYSTEM OPTIONS
- UV light resistance formulations
- Urethane, polyaspartic, epoxy, finishes
- Chemical resistant finishes

TECHNICAL SERVICE
Key Resin Company provides services and consultations on material selection, specification, troubleshooting, and other information on the proper repair and protection of concrete surfaces. Key Resin Sales/Technical Representatives are available to assist. Telephone 888.943.4532 or visit www.keyresin.com.

AVAILABILITY
Key Resin materials are available throughout the United States, Canada, China, and a number of other countries. Contact the Key Resin Representative in your area for details.

WARRANTY
Key Resin Company (“Key”) warrants for a period of one (1) year that its products will be free of manufacturing defects and will be in conformity with published specifications when handled, stored, mixed, and applied in accordance with recommendations of Key. If any product fails to meet this warranty, the liability of Key will be limited to replacement of any non-conforming material if notice of such non-conformity is given to Key within (1) one year of delivery of materials. Key may in its discretion refund the price received by Key in lieu of replacing the material. No customer, distributor, or representative of Key is authorized to change or modify the published specifications of this warranty in any way. No one is authorized to make oral warranties on behalf of Key. In order to obtain replacement or refund the customer must provide written notice containing full details of the non-conformity. Key reserves the right to inspect the non-conforming material prior to replacement. EXCEPT FOR THE EXPRESSED WARRANTY STATED ABOVE, THERE ARE NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PURPOSE. KEY’S OBLIGATION SHALL NOT EXTEND BEYOND THE OBLIGATIONS EXPRESSLY UNDERTAKEN ABOVE AND KEY SHALL HAVE NO LIABILITY OR RESPONSIBILITY TO THE PURCHASER OR ANY THIRD PARTY FOR ANY LOSS, COST, EXPENSE, DAMAGE OR LIABILITY, WHETHER DIRECT OR INDIRECT, OR FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES.
