KEY LASTIC CHIP 100

**DESCRIPTION**

KEY LASTIC CHIP 100 is a nominal 1/8”-3/16” resilient polymer flooring system consisting of a flexible epoxy or urethane resin base coat, resilient epoxy body coat, and a polyaspartic or urethane receiving coat broadcast with decorative colored chips. KEY LASTIC CHIP 100 is finished with clear catalyst-cured coats of resin. The installed system produces a dense, sanitary finish that is designed to provide acoustical quietness and comfort under foot while minimizing bacterial growth and chemical penetration. The finish can be made non-slip resistant as required for wet areas.

**KEY ADVANTAGES**

- Seamless, sanitary floor
- High impact and wear resistance
- Low maintenance
- Low VOC (EPA Method 24) SCAQMD Compliant
- Quiet acoustical and ergonomic environment
- Chemical resistant finish
- Decorative appearance

**TYPICAL USES**

- Corridors
- Lobbies
- Light manufacturing areas
- Healthcare facilities
- Labs
- Schools
- Numerous other uses-Consult with Key Resin

APPLICATION

SURFACE PREPARATION
Surface Preparation is the most critical portion of any successful resinous flooring system application. All substrates must be properly prepared and tested for moisture as outlined in Key Resin Technical Bulletin #1. If moisture testing confirms excessive levels of moisture, apply moisture mitigation system recommended by Key Resin. Work must be performed by experienced contractors. The Key Resin Technical Service Department is available to answer any questions.

INSTALLATION
KEY LASTIC CHIP 100 material components are mixed on site. Refer to the detailed installation instructions document and Key Resin Technical Service.

CLEAN UP
Clean skin with soap and water. Tools and equipment should be cleaned with xylene or lacquer thinner. Consult Safety Data Sheet (SDS) for safety and health precautions.

SYSTEM OPTIONS
- Epoxy, polyaspartic, urethane chemistries available to fit the application and project requirements.
- Gloss or satin finish
- Variable slip resistance

TECHNICAL SERVICE
Key Resin Company provides services and consultations on material selection, specification, troubleshooting, and other information on the proper repair and protection of concrete surfaces. Key Resin Sales/Technical Representatives are available to assist. Telephone 888.943.4532 or visit www.keyresin.com.

AVAILABILITY
Key Resin materials are available throughout the United States, Canada, China, and a number of other countries. Contact the Key Resin Representative in your area for details.

MAINTENANCE
After completing the application of KEY LASTIC CHIP 100, the installer should provide the owner with maintenance instructions. KEY LASTIC CHIP 100 is easily cleaned with neutral soaps or detergents. Routine mechanical scrubbing using the appropriate pad is recommended for all surfaces having a slip resistant texture. Refer to Key Resin Technical Bulletins #3 and #3-A for additional recommendations.

WARRANTY
Key Resin Company (“Key”) warrants for a period of one (1) year that its products will be free of manufacturing defects and will be in conformity with published specifications when handled, stored, mixed, and applied in accordance with recommendations of Key. If any product fails to meet this warranty, the liability of Key will be limited to replacement of any non-conforming material if notice of such non-conformity is given to Key within (1) one year of delivery of materials. Key may in its discretion refund the price received by Key in lieu of replacing the material. No customer, distributor, or representative of Key is authorized to change or modify the published specifications of this warranty in any way. No one is authorized to make oral warranties on behalf of Key. In order to obtain replacement or refund the customer must provide written notice containing full details of the non-conformity. Key reserves the right to inspect the non-conforming material prior to replacement. EXCEPT FOR THE EXPRESSED WARRANTY STATED ABOVE, THERE ARE NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PURPOSE. KEY’S OBLIGATION SHALL NOT EXTEND BEYOND THE OBLIGATIONS EXPRESSLY UNDERTAKEN ABOVE AND KEY SHALL HAVE NO LIABILITY OR RESPONSIBILITY TO THE PURCHASER OR ANY THIRD PARTY FOR ANY LOSS, COST, EXPENSE, DAMAGE OR LIABILITY, WHETHER DIRECT OR INDIRECT, OR FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES.
