KEY RESISTANT STD provides the maximum chemical resistance in a 1/4" troweled epoxy mortar system. Combining a 100% solids, chemically resistant mortar base with chemical resistant epoxy or novolac epoxy sealers, KEY RESISTANT STD protects concrete and masonry where extreme chemical and thermal protection is required. KEY RESISTANT STD can be installed with an integral cove base for areas requiring seamless wall to floor coatings. A waterproof, crack resistant system can be achieved by using a KEY CRACK ISOLATION AND WATERPROOFING MEMBRANE. Contact your KEY REPRESENTATIVE for assistance.

**KEY ADVANTAGES**
- High wear, impact, & abrasion resistance
- Extreme chemical & thermal shock resistance
- Low maintenance
- Safe (slip resistant finish)
- 100% solids provides low odor application
- Authorized for use in federally inspected meat and poultry plants

**TYPICAL USES**
- Pulp and Paper Plants
- Food and Beverage Facilities
- Pulp and Paper Mills
- Petroleum and Chemical Plants
- Pharmaceutical Facilities
- Wastewater Treatment Facilities
- Numerous other uses—Consult with Key Resin

APPLICATION

SURFACE PREPARATION
Surface Preparation is the most critical portion of any successful resinous flooring system application. All substrates must be properly prepared and tested for moisture as outlined in Key Resin Technical Bulletin #1. If moisture testing confirms excessive levels of moisture, apply moisture mitigation system recommended by Key Resin. Work must be performed by experienced contractors. The Key Resin Technical Service Department is available to answer any questions.

INSTALLATION
KEY RESISTANT STD material components are mixed on site. Refer to the detailed installation instructions document and Key Resin Technical Service.

CLEAN UP
Clean skin with soap and water. Tools and equipment should be cleaned with xylene or lacquer thinner. Consult Safety Data Sheet (SDS) for safety and health precautions.

MAINTENANCE
After completing the application of the KEY RESISTANT STD SYSTEM, the installer should provide the owner with maintenance instructions. KEY RESISTANT STD is easily cleaned with neutral soaps or detergents. Routine mechanical scrubbing using the appropriate pad is recommended for all surfaces having a slip resistant texture. Refer to Key Resin Technical Bulletins #3 and #3-A for additional recommendations.

SYSTEM OPTIONS
• Integral Cove Base
• Key Crack Isolation and Waterproofing Membrane
• Smooth or Slip Resistant Finish

TECHNICAL SERVICE
Key Resin Company provides services and consultations on material selection, specification, troubleshooting, and other information on the proper repair and protection of concrete surfaces. Key Resin Sales/Technical Representatives are available to assist. Telephone 888.943.4532 or visit www.keyresin.com.

AVAILABILITY
Key Resin materials are available throughout the United States, Canada, China, and a number of other countries. Contact the Key Resin Representative in your area for details.

WARRANTY
Key Resin Company (“Key”) warrants for a period of one (1) year that its products will be free of manufacturing defects and will be in conformity with published specifications when handled, stored, mixed, and applied in accordance with recommendations of Key. If any product fails to meet this warranty, the liability of Key will be limited to replacement of any non-conforming material if notice of such non-conformity is given to Key within (1) one year of delivery of materials. Key may in its discretion refund the price received by Key in lieu of replacing the material. No customer, distributor, or representative of Key is authorized to change or modify the published specifications of this warranty in any way. No one is authorized to make oral warranties on behalf of Key. In order to obtain replacement or refund the customer must provide written notice containing full details of the non-conformity. Key reserves the right to inspect the non-conforming material prior to replacement. EXCEPT FOR THE EXPRESSED WARRANTY STATED ABOVE, THERE ARE NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PURPOSE. KEY’S OBLIGATION SHALL NOT EXTEND BEYOND THE OBLIGATIONS EXPRESSLY UNDERTAKEN ABOVE AND KEY SHALL HAVE NO LIABILITY OR RESPONSIBILITY TO THE PURCHASER OR ANY THIRD PARTY FOR ANY LOSS, COST, EXPENSE, DAMAGE OR LIABILITY, WHETHER DIRECT OR INDIRECT, OR FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES.
