KEY #805 ACRYLIC SEALER is designed to provide a UV resistant finish for KEY POOL DECK system or as a sealer for exterior concrete patios, decks, and sidewalks.

When selecting the KEY #805 ACRYLIC SEALER color for your application, please take time to carefully consider:

1. **APPEARANCE**: Light colors tend to show more “shadow” than dark colors.
2. **TRAFFIC & MAINTENANCE**: Wheel marks and dirt naturally show up more on light vs. dark colors.
3. **SPILLAGE**: What might be most commonly spilled on the floor? Consult your Key Resin Representative to determine the degree of chemical resistance you may require prior to selection of the system.

**Key Resin Company** provides this color guide for preliminary color selection only. Please refer to a physical sample prior to making a final choice. Contact your local Key Resin Representative for assistance.
